

# Food Distribution by LIFE Christian Church

Wednesday, July 22nd @ 930am  
Stevenson Middle School Parking Lot

We will be distributing free produce food items to any Stevenson Middle School/Lincoln Elementary School families in need. Thank you to Aloha Harvest for being the primary supplier for this distribution.

Food will be distributed in a drive by “grab and go” manner and will be available only while supplies last- one per family. Due to safety concerns, you must have a vehicle to come and pick up the food and be wearing a protective mask.

If you would like to be informed about any upcoming food distributions that we will do, please email us your contact info or complete our Connection Card from the QR code.
